

Amami City Wi-Fi Terms of Use

Purpose

Art. 1. Amami City Wi-Fi Terms of Use (hereinafter "the Terms of Use") defines the terms of use regarding the Internet connection environment (hereinafter "the Wireless LAN") established and provided by Amami City (hereinafter "the City").

Eligibility

Art. 2. The City grants the right to use the Wireless LAN to a user who agrees to the Terms of Use (hereinafter "the User"). An application to the City to use the Wireless LAN is not required.

2 The User shall be an individual, and any organizational use of the Wireless LAN by a company or other similar organizations is allowed. However, this shall not apply to a condition in which the City exceptionally determines such use is necessary.

Fees

Art. 3. The Wireless LAN is provided for free of charge. However, the User shall be liable, regardless the reason, for the paid service which the User uses on the Internet.

Access Points and Available Hours

Art. 4. The access points and available hours of the Wireless LAN are listed in Appended Table in this document. However, the available hours may be altered according to various events and other reasons as the City permits.

Use History and Restriction

Art. 5. For a proper use of the Wireless LAN, the city reserves the right to restrict access to certain Web sites by, including but not limited to, collecting and viewing the access logs and administering MAC addresses.

Preparation to Use the Wireless LAN

Art. 6. The User shall prepare the followings to use the Wireless LAN:

- (1) A device to connect to the Wireless LAN,
 - (2) Power supply for the device and its accessories, and
 - (3) Web browser and other software, if any.
- 2 The SSID to use to connect to the Wireless LAN is "Amami_City_Wi-Fi."
- 3 The password to connect to the Wireless LAN is "59105910."

Prohibited Matters

Art. 7. The User is prohibited from the following acts or acts which are likely to cause such acts:

- (1) Violation of copyrights and other rights,
- (2) Violation of property rights and privacy,
- (3) Abuse to the City and/or third parties.
- (4) Threats to the public order or offering such information to a third party,
- (5) Criminal activities or other acts similar to criminal activities,

- (6) Election campaigns (regardless if such an act is conducted in a campaign period or not)
- (7) Acts related to pornography, religion, and/or politics,
- (8) Use and/or distribution of malware through the Wireless LAN, regardless the consent of its recipients.
- (9) Transmission of electronic mails to an unspecified large number of recipients for the purposes including but not limited to online marketing, multilevel marketing transactions, and/or business opportunity related sales transactions,
- (10) Transmission of a large volume of data through, including but not limited to, file sharing software, and
- (11) Illegal activities and other activities which cause disadvantages and/or damages to the City or third parties.

Halt of Operation

Art. 8. The City reserves the right to halt the operation of the Wireless LAN when either of the following condition is met:

- (1) The City's network system maintenance or other services,
- (2) Incapability of the normal operation of the Wireless LAN due to a war, a riot, a disturbance, a labor dispute, a natural disaster, a power failure, and other emergency situations,
- (3) The Wireless LAN system failure, and
- (4) Other situations in which the City determines the necessity to halt the operation of the Wireless LAN.

Disclaimer

Art. 9. The City is not liable for the User's loss or damage listed below incurred during the use of the Wireless LAN:

- (1) Loss or damage to the User or a third party due to the offering, modification, and/or halt of the Wireless LAN,
- (2) Loss of damage to the User or a third party caused by the loss of information registered, provided, or collected through the Wireless LAN,
- (3) Loss of damage to the User or a third party caused by data corruption or leakage due to computer viruses infection,
- (4) Loss or damage to the User or a third party caused by the acts listed in Article 7 above, and
- (5) Other loss or damage to the User or a third party related to the use of the Wireless LAN, and/or dispute between the User and a third party.

Modification

Art. 10. The City reserves the right to modify the Term of Use without a prior notice to and consent from the User.

2 The Term of Use is always available at the City's homepage, and the City shall notify any change to the terms on the City's homepage.

3 The User who uses the Wireless LAN after the modification of the Terms of Use shall be deemed to agree to the modified Terms of Use.

Appendix

The Terms of Use is in effect from April 1, 2014.
